

No 201's open on Eppsend memo
but could open on Cryptoforge

only 1 copy of 201 — could be a "copy"
fictel copy

Project File = A) Admin B) Support, C) Products

201 has info on asset involved (SOG) in project —
(Project File has info on ops itself)

Hard File = Official info

Soft File = working papers, anything of record value
in soft file would be included in hard file

Personnel File — where worked, Supervisors name, type of work,
& evaluations — does not contain specific ops in which
employee was working

* Name Check = (trace) = STAR TRACE
Travel Files
Office of Security
Provisional Operational Approval

Cia dispatch

July 1959 Gouss our line tells
a CIA report that Moscow had given us
permission to give American visas without prior
approval from Moscow — Gouss stated this would
make his job much easier & as long as he was
convinced the American was "all right" he
could give him a visa in minutes."

2nd CIA Dispatch — Oct 9 1959

ONE DAY PHASE TO OSWALD
ARRIVAL IN HELSINKI — Shows Gouss
did have authority to issue visas w/out
delay. — Dispatch discusses rebellion without
between Gouss & his consular counterpart at
the U.S. Embassy in Helsinki.

"Since that evening (4/9/59) Gouss has
only phoned the U.S. Consul once — & their
was on a business matter. 2 Americans were
in the Sov Consulate at the time & were applying
for SovVisas thru Gouss — that had been previously
at U.S. Consulate inquiring about poss of Sov visa in
ONE OR TWO DAYS — U.S. Consul advised
them to go directly to Gouss & make their request
which they did — Gouss phoned U.S. Consul to State
that he would give them their visas as soon as
they made advance interview reservation when
they did Gouss gave them visas immediately

Golus had authority to issue visa
to American w/o prior approval from
Moscow.

— HSCA notes that Lito visa w/14
2-4 days after his app at Sov Consulate
in ~~W.H. H. T.~~ Soviet Union does not warrant
the belief that Lito travel into Su was
authorized by other (Soviet).
